INTRODUCTION

Welcome to MyArtworkz - a highly sophisticated creative utopia built by artist, for artists. We are here to bridge the gap between your personal studio and the interior walls of the 'art-loving' community. Coming from a background of over 80 years in the printing industry, we know what we're doing - and we know it works.

Our mission is to share pure creativity with the world, encouraging others to enrich themselves with imagination and inventiveness. This mission is what drives our refreshing limited-edition movement. By circulating up-and-coming artists we spread innovation, front-of-the-pack thinking and cutting-edge creativity.

WHY SELL WITH MYARTWORKZ?

Earn Extra Money

Who doesn't love a little extra cash? By becoming a contributor you will profit from every sale made of your art. If your artwork sells out, it is very likely we'll contact you for another series - meaning more commission for you.

We Manage Everything.

MyArtworkz manage the entire process of selling your art. This includes the production, promotion and distribution of every order. All that you, the creative is required to do is provide your art and collect the commission.

Limited Edition

Limited runs of artwork from around the globe.

MyArtworkz is offering the public a chance to be part of something bigger than just 'wall art'. We are building exclusivity through restricting the number of copies of each graphic we print. What this means is when someone buys your art, they will own one of the few copies in the world.

Bigger is Better

Offering the biggest sizes on the market.

Using our innovative low-profile framing system, MyArtworkz offers some of the largest frame sizes on the market. With our biggest size coming to 1350mm x 1800mm, your creations will fill the walls of art lovers homes.

High Quality

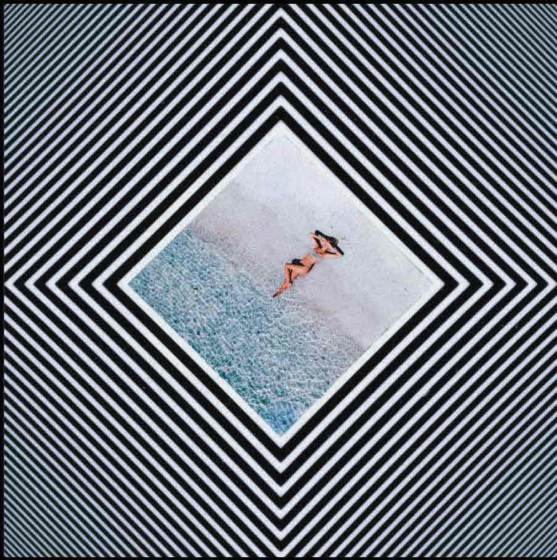

Coming from over 80 years experience.

MyArtworks is run by an Australian company with over 80 years' experience in the printing industry. It's safe to say we know what we're doing. Our printing process (known as Dye-sublimation) offers the most vibrant colour output, and ensures a crisp, clear final product.

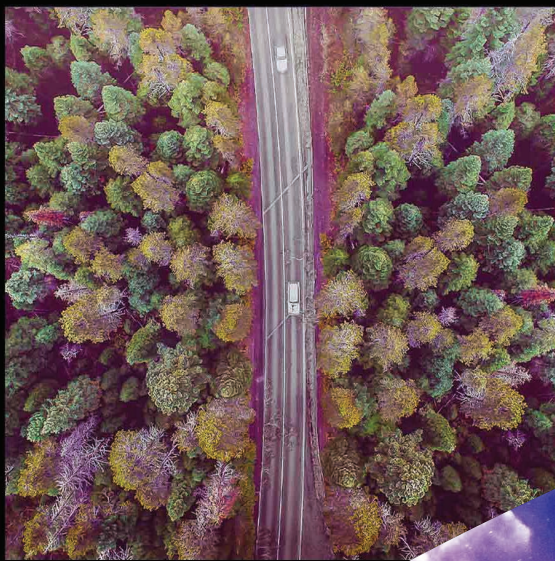

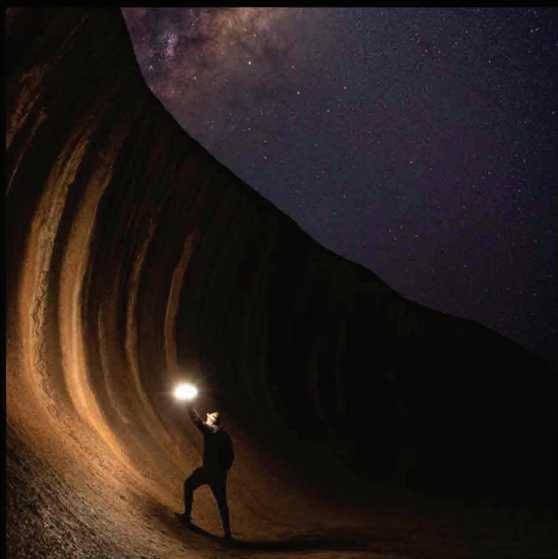

Artist Exposure

Worldwide exposure free of charge.

MyArtworkz broadcasts to the art lovers of the world. Our advertisements feature specific artists and artworks that we believe in. These promotions run constantly, and come at no cost to the artists involved - meaning you receive world-wide exposure for free.
